

## WiPP Abstract Submission Instructions

Submit a Work-in-Progress Poster (WiPP) abstract through the provided website database for the 37th International Symposium on Combustion.

1. **Navigate** to the WiPP abstracts submission [website](#).

**Note:** Google Chrome is the recommended web browser for WiPP submissions.

2. Enter the **presenting author** information into the provided fields.
3. Enter the **Abstract Details** information into the provided fields.
4. Select **Save and Proceed** at the bottom of the page.
5. Select the **addition button**  to the right of **AUTHORS' DETAILS**.

**Note:** Although you entered the presenting author on the previous page, you must reenter the presenting author on this page to capture all WiPP authors.

- a. Enter **author name and affiliation** into the provided fields.
  - b. Select **First Author** for the presenting author.
  - c. Select **Save and Proceed** to add the author.
  - d. Repeat until all authors are added.
6. Select the **edit button**  to the right of **ABSTRACT TEXT**.
    - a. Enter your **abstract text**. Minimum length is 10 characters. Suggested length should range between **100-250 words**, including references.
    - b. Select **Save and Proceed** to add the abstract.
  7. Select **Show the Preview** at the bottom of the page.

**Note:** The abstract submission displays in a separate window. Review the submission for accuracy, and then close the window.

8. Select **Send Now** at the bottom of the page.

**Note:** A confirmation screen displays. Print the screen or record your abstract **ID number** and **password**. You will not receive a confirmation email.

**Note:** To revise your abstract submission, navigate to the [website](#) and login with the password provided on the confirmation screen.

Questions regarding WiPP abstract submissions can be directed to The Combustion Institute: [Office@CombustionInstitute.org](mailto:Office@CombustionInstitute.org).
